

**Charter of the Audit Committee  
of the Board of Directors of  
Cambridge Display Technology, Inc.**

As amended and restated by the Board of Directors

29 November, 2005

This Charter sets forth, among other things, the purpose, membership and duties and responsibilities of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Cambridge Display Technology, Inc. (the “Corporation”).

**1. Purpose**

The purposes of the Committee are: (a) to assist the Board in overseeing (i) the quality and integrity of the Corporation’s financial statements, (ii) the qualifications and independence of the Corporation’s independent auditor, (iii) the performance of the Corporation’s internal audit function and independent auditor, (iv) the Corporation’s compliance with legal and regulatory requirements and (v) the effectiveness of the Corporation’s internal control over financial reporting; and (b) to prepare the report of the Committee required to be included in the Corporation’s annual proxy statement under the rules of the U.S. Securities and Exchange Commission (the “SEC”).

**2. Membership**

The Committee shall consist of at least three members. The members of the Committee shall be appointed by the Board on the recommendation of the Nomination and Corporate Governance Committee of the Board, which shall recommend, exercising their business judgment, the appointment of qualified directors for Committee membership. In the absence of a Nominating and Corporate Governance Committee, the members of the Committee shall be appointed by a majority of the independent directors of the Board. Members of the Committee shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

Each member of the Committee shall satisfy the independence requirements relating to directors and audit committee members (a) of NASDAQ and (b) under Section 10A(m) of the Securities Exchange Act of 1934 (the “Exchange Act”) and any related rules and regulations promulgated thereunder by the SEC.

No director may serve as a member of the Committee if such director serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to

effectively serve on the Committee. Furthermore, no director may serve as a member of the Committee if such director has participated in the preparation of financial statements of the company or any current subsidiary of the company at any time during the past three years.

Each member of the Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statements and cash flow statement.

### **3. Structure and Operations**

The Board shall designate one member of the Committee as its chairperson. The affirmative vote of a majority of the members of the Committee participating in any meeting of the Committee is necessary for the adoption of any resolution. The Committee may create one or more subcommittees and may delegate, in its discretion, all or a portion of its duties and responsibilities to such subcommittee. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals of audit and non-audit services pursuant to Section 10A(i)(3) of the Exchange Act and any related rules promulgated thereunder by the SEC, which pre-approvals shall be presented to the full Committee at the next scheduled meeting.

The Committee shall have a regularly scheduled meeting at least once every fiscal quarter, at such times and places as shall be determined by the Committee chairperson, and may have such additional meetings as the Committee chairperson or a majority of the Committee's members deem necessary or desirable. The Committee may request (a) any officer or employee of the Corporation, (b) the Corporation's outside counsel or (c) the Corporation's independent auditor to attend any meeting (or portions thereof) of the Committee, or to meet with any members of or consultants to the Committee, and to provide such information as the Committee deems necessary or desirable.

The Committee shall meet separately, at least once every fiscal quarter, with management and with the independent auditor.

Members of the Committee may participate in a meeting of the Committee by means of conference call or similar communications arrangements by means of which all persons participating in the meeting can hear each other.

### **4. Duties and Responsibilities**

The Committee's duties and responsibilities shall include each of the items enumerated in this Section 4 and such other matters as may from time to time be delegated to the Committee by the Board.
