

**TECHNICAL ASSISTANT, INKJET PRINTING  
6 MONTH CONTRACT  
TECHNOLOGY DEVELOPMENT CENTRE  
GODMANCHESTER**

CDT currently requires a temporary Technical Assistant to cover maternity leave. This role will require the fabrication of routine devices and test cells using Ink Jet printers to support print platform projects. You will also undertake additional functional duties aimed at ensuring high yield and generating good quality data by Ink Jet Printing test cells.

In this role, you will aid the successful fabrication of Ink Jet printed test cells adhering to current SOPs and will generate routine in line film thickness and profile data, reacting appropriately to deviations from expected results. In addition to this, you will take routine measurements and update control charts to ensure the UK print process is in control and will accurately record all practical work including database entry for test cell fabrication. You will also communicate with all team members to ensure all results are communicated effectively and problem areas are highlighted early on.

Ideally, you will be qualified to degree level or equivalent in Engineering, Physics or Material Science as well as relevant experience in a high tech research and development or manufacturing environment. Furthermore, you will have an ability to learn quickly and work independently with minimum supervision and be able to work under pressure and meet strict deadlines. For this role, computer literacy is essential and a familiarity with Windows and Microsoft Office products will be advantageous. In addition, you will have strong communication skills and the ability to be flexible and able to change priorities at short notice.

This is an outstanding opportunity to be part of a dynamic environment where your contribution will earn full recognition and reward. CDT offers a competitive salary and benefits package including 27 days holiday, private health and dental care, life assurance and pension scheme. Please apply with full CV to: The Human Resources Department, CDT Ltd, Building 2020, Cambourne Business Park, Cambridgeshire CB23 6DW. E-mail: [careers@cdtltd.co.uk](mailto:careers@cdtltd.co.uk). Please quote the reference 'Technical Assistant – Ink Jet Printing' in the subject heading.
