

TECHNICAL ASSISTANT, TEST TECHNOLOGY DEVELOPMENT CENTRE GODMANCHESTER

We currently have a requirement for a Technical Assistant, Test to provide test support for spin coated test cells, inkjet printed test cells and display panels. Reporting to the Senior Scientist (Test), you will be involved in device assembly and testing substrates via automated inspection tool and visual inspection. Your main area of focus will be to select devices for, and setting up and running life-tests, ensuring smooth running of the test facility and timely efficient management of life-test channel.

Other than the main area of focus there will be duties to carry out involving: additional testing and inspection of devices, assembly and pinning of devices, as well as generation of operating documents, SOPs and risk assessments.

Ideally you will be educated to degree level or equivalent, with some experience in a laboratory environment; alternatively you will have significant laboratory experience. Previous experience of Windows NT and Microsoft Office products is highly desirable as these will be used on a daily basis. You will be required to work unsupervised for long periods without losing touch with the aims of the team, this will require a calm and methodical approach to work during busy periods. The ability to work on several batches of work simultaneously without loss of efficiency or productivity is essential.

This role requires working a rotating shift pattern of 6.30 a.m. to 2.30 p.m. Monday to Friday and 2.00 p.m. to 10 p.m. Monday to Thursday and 12.00 p.m. to 8 p.m. on a Friday. In return, we pay a generous shift premium.

This is an outstanding opportunity to be part of a dynamic environment where your contribution will earn full recognition and reward. CDT offers a competitive salary and benefits package including 27 days holiday, private health and dental care, life assurance and pension scheme. Please apply with full CV to: The Human Resources Department, CDT Ltd, Building 2020, Cambourne Business Park, Cambridgeshire CB23 6DW. E-mail: careers@cdtltd.co.uk. Please quote the reference 'Technical Assistant, Test' in the subject heading.
